CANDY MAKING.

3-15-24

Information of value on the manufacture of candy and preparation of candied fruits may be obtained from the books listed below. Since, however, the recipes given in these books have not actually been tested in this Department, we are not in a position to state whether they will give the desired results. We believe, however, that information of value will be found in all of these books.

Candy Making on Commercial Scale-

- "The International Candy Manual" by C. L. Intemann, published by George U. Harvey Publishing Co., 621 Broadway, New York, N. Y.
- "The Up-To-Date Candy Teacher" by Charles Apell, published by the author, Bloomington, Ill.
- "Wm. M. Bell's 'Pilot': An Authoritative Book on the Manufacture of Candies, etc." by Wm. M. Bell, published by Workman Mfg. Co., Chicago, Ill.
- "Friedman's Common Sense Candy Teacher" by Jacob Friedman, published by Jonas N. Bell, Chicago, Ill.
- "Chocolate & Confectionery Manufacture" by Auguste Jacoutot, published by MacLaren & Sons, London.
- "Cocoa & Chocolate; Their Chemistry & Manufacture" by R. Whymer, published by P. Blakiston's Son & Co., Philadelphia, Pa.
- "Cocoa & Chocolate, Their History from Plantation to Consumer" by A. W. Krepp, published by Chapman & Hall, London.
- "The Modern Practical Gum Work Manual" by C. Grillon (publisher not given).
- "American Candy Maker" by C. C. Huling (publisher not given).
- "Rigby's Reliable Candy Teacher" by W. O. Rigby, published by Rigby Publishing Co., Topeka, Kansas.
- "Instructions in Scientific Candy Making" by H. Brawner, published by Flagg Printing Co., San Bernardino, Calif.
- "How to Make Candies" by Antoine Lascas, published by I. & M. Ottenheimer, 800-802 E. Fayette St., Baltimore, Md.

Candy Making in the Home - (Could doubtless be adapted to small scale manufacture.)

- "Candy Cookbook" by Alice Bradley, published by Little, Brown & Co., Boston, Mass.
- "Scientific Candy Making at Home" by Joseph Heinrich, published by the author, Spokane, Wash.
- "Candy Making in the Home" by Christine Terhune Herrick, published by Rand, McNally & Co., New York, N. Y.
- "Kandykraft" made up and published solely for Kandykraft Co., Akron, Ohio.
- "Our Candy Recipes" by M. B. Van Arsdale, and Day Monroe, published by The MacMillan Co., New York, N. Y.
- "When Mother Lets Us Make Candy" by E. D. Bache, published by Moffat, Yard & Co., New York, N. Y.

Candied Fruit-

- "The Art of Canning & Preserving as an Industry" by Dr. Jean Pacrette of Paris, published by Jules H. Dommergue, Jersey City, N. J.
 "Recipes for the Preserving of Fruit, Vegetables & Meat" by E. Wagner published by Scott, Greenwood & Son, London.
 "Preserved Foods and Sweetmeats", by A. Hausner, published by Scott, Greenwood & Son, London.
 "A Complete Course in Canning" published by The Canning Trade, Baltimore, Md.
 "Instructions in Scientific Candy Making" by H. Brawner, published by Flag Printing Company, San Bernardino, Calif.

Candy Trade Journals- (Much useful information relative to all sides of the candy industry, including recipes of various kinds, will be found in the trade journals listed below.)

- "Manufacturing Confectioner" published by The Mfg. Confectioner Publishing Co., 30 N. LaSalle St., Chicago, Ill.
 "The Candy Factory" published by The Modern Confectionery Publishing Co., 30 S. Michigan Avenue, Chicago, Ill.
 "The Candy Jobber", published by same company.
 "Candy & Ice Cream", ditto.
 "International Confectioner, Inc." published at 621 Broadway, New York, N. Y.
 "Confectioners' Journal" published by Confectioners' Journal Publishing Co., 411-13 Walnut St., Philadelphia, Pa.
 "Confectioners' Gazette" published by H. B. Winton, 366 Broadway, New York, N.Y.

Copies of the above books and journals may doubtless be consulted in any extensive library.

Manufacturers of:Machinery & Supplies for Making Candy-

- National Equipment Co., Springfield, Mass.
 Thos. Mills & Bro., 1301-11 N. 8th St., Philadelphia, Pa.
 Jas. Y. Watkins & Son, Inc., 16-20 Catherine St., New York, N. Y.
 Confectioners Machinery Co., Racine, Wisconsin.
 J. P. Anderson & Co., 9th & Thompson Sts., Philadelphia, Pa.
 The Collum Mfg. Co., 926 Main St., Hartford, Conn.
 Package Machinery Co., Springfield, Mass.
 Union Confectionery Co., Inc., 29-35 W. Houston St., New York, N. Y.

Colors-

- Kohnstamm & Co., 89-93 Park Place, New York, N. Y.
 National Aniline & Chemical Co., Inc., 21 Burling Slip, New York, N. Y.
 W. J. Bush & Co., 100 William St., New York, N. Y.
 J. W. Allen & Co., 110-18 N. Peoria St., Chicago, Illinois.
 Jos. Burnett Co., Boston, Mass.

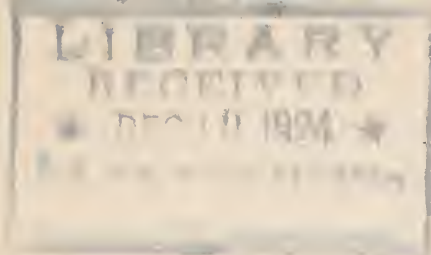

The first part of the paper is devoted to a general
discussion of the problem. It is shown that the
problem is of great importance in the theory of
the differential equations of the second order.
The second part of the paper is devoted to a
detailed study of the problem. It is shown that
the problem is of great importance in the theory
of the differential equations of the second order.
The third part of the paper is devoted to a
detailed study of the problem. It is shown that
the problem is of great importance in the theory
of the differential equations of the second order.

The fourth part of the paper is devoted to a
detailed study of the problem. It is shown that
the problem is of great importance in the theory
of the differential equations of the second order.
The fifth part of the paper is devoted to a
detailed study of the problem. It is shown that
the problem is of great importance in the theory
of the differential equations of the second order.

Flavors-

Kohnstamm & Co., 89-95 Park Place, New York, N. Y.
W. J. Bush & Co., 100 William St., New York, N. Y.
Alex. Fries & Bro., 312-16 E. 2nd St., Cincinnati, Ohio.
J. W. Allen & Co., 110-18 N. Peoria St., Chicago, Ill.
Ungerer & Co., 124 W. 19th St., New York, N. Y.
Geo. Lueders & Co., 427 Washington St., New York, N. Y.
Fries & Bro., 92 Reade St., New York, N. Y.

It is not to be understood that the products manufactured by the firms listed are recommended over those of others not given; the names in question have been taken from advertisements appearing in the various trade journals for your convenience.

October 14, 1924.

CANDY MAKING.

Information of value on the manufacture of candy and preparation of candied fruits may be obtained from the books listed below. Since, however, the recipes given in these books have not actually been tested in this Department, we are not in a position to state whether they will give the desired results. We believe, however, that information of value will be found in all of these books.

Candy Making on Commercial Scale-

- "The International Candy Manual" by C. L. Intemann, published by George U. Harvey Publishing Co., 621 Broadway, New York City.
- "The Up-To-Date Candy Teacher" by Charles Apell, published by the author, Bloomington, Ill.
- "Wm. M. Bell's 'Pilot'; An Authoritative Book on the Manufacture of Candies, etc." by Wm. M. Bell, published by Workman Mfg. Co., Chicago, Ill.
- "Friedman's Common Sense Candy Teacher" by Jacob Friedman, published by Jonas N. Bell, Chicago, Ill.
- "Chocolate & Confectionery Manufacture" by Auguste Jacoutot, published by Maclaren & Sons, London.
- "Cocoa and Chocolate; Their Chemistry and Manufacture" by R. Whymper, published by P. Blakiston's Son & Co., Philadelphia, Pa.
- "The Manufacture of Confectionery" by R. Whymper, same publisher.
- "Cocoa and Chocolate, Their History from Plantation to Consumer" by A. W. Knapp, published by Chapman & Hall, London.
- "The Manufacture of Chocolate and Other Cacao Preparations" by Paul Zipperer. (Publisher not known)
- "The Modern Practical Gum Work Manual" by O. Grillon (publisher not given).
- "American Candy Maker" by C. C. Euling (publisher not given).
- "Rigby's Reliable Candy Teacher" by W. O. Rigby, published by Rigby Publishing Co., Topeka, Kansas.
- "Instructions in Scientific Candy Making" by H. Brawner, published by Flagg Printing Co., San Bernardino, Calif.
- "How to Make Candies" by Antoine Lascas, published by I. & M. Ottenheimer, 800-802 E. Fayette St., Baltimore, Md.

Candy Making in the Home- (Could doubtless be adapted to small scale mfr.

- "Candy Cookbook" by Alice Bradley, published by Little, Brown & Co. Boston, Mass.
- "Scientific Candy Making at Home" by Joseph Heinrich, published by the author, Spokane, Washington.
- "Candy Making in the Home" by Christine Terhune Herrick, published by Rand, McNally & Co., New York, N. Y.
- "Kandykraft" made up and published solely for Kandykraft Co., Akron, Ohio.
- "Our Candy Recipes" by M. B. Van Arsdale and Day Monroe, published by The MacMillan Co., New York, N. Y.

Candy Making in the Home- (Cont'd.)

- "When Mother Lets Us Make Candy" by E. D. Bache, published by Mcflat, Yard & Co., New York, N. Y.
"Home Candy Making" by F. E. Chase, published by the author, Takoma Park, Washington, D. C.
"Blue Book on Home Candy Making" by M. A. Pease, published by the author, Bloomington, Ill.

Candied Fruit-

- "French Glace Fruits", Daily Consular & Trade Reports No. 3414, February 24, 1909, issued by U. S. Department of Commerce.
"Laboratory Manual of Fruit & Vegetable Products" by W. V. Cruess and A. W. Christie, published by McGraw-Hill Book Co., New York, N. Y.
"The Manufacture of Confectionery" by R. Whympier, published by P. Blakiston's Son & Co., Philadelphia, Pa.
"The Art of Canning and Preserving as an Industry" by Dr. Jean Pacrette of Paris, published by Jules H. Dommergue, Jersey City, N. J.
"Recipes for the Preserving of Fruit, Vegetables and Meat" by E. Wagner, published by Scott, Greenwood & Son, London.
"Preserved Foods and Sweetmeats" by A. Hausner, published by Scott, Greenwood & Son, London.
"A Complete Course in Canning" published by The Canning Trade, Baltimore, Md.
"Instructions in Scientific Candy Making and Fruit Glacing" by H. Brawner, published by Flagg Printing Co., San Bernardino, Calif.

Candy Trade Journals- (Much useful information relative to various phases of the candy industry, including formulas of various kinds, will be found in the trade journals listed below.)

- "Manufacturing Confectioner" published by The Manufacturing Confectioner Publishing Co., 30 N. LaSalle St., Chicago, Ill.
"Confectioners' Journal" published by The Confectioners' Journal Publishing Co., 411-13 Walnut Street, Philadelphia, Pa.
"The Candy Factory" published by The Modern Confectionery Publishing Co., 30 S. Michigan Ave., Chicago, Ill.
"The Candy Jobber", published by same company.
"Candy & Ice Cream Retailer", ditto.
"International Confectioner, Inc." published at 621 Broadway, New York, N. Y.
"Confectioners' Gazette" published by H. B. Winton, 366 Broadway, New York, N. Y.
"Candy & Soda Profits" published by Profits Publishing Co., Inc., Central Bank Building, St. Paul, Minn.
"Confectioners' Review" published by Confectioners' Review Publishing Co., Inc., Palace Theatre Bldg., Cincinnati, Ohio.

Candy Trade Journals- (Cont'd.)

"Confectionery Merchandising" published by Merchandising Publishing Co., Transportation Bldg., 2058 N. Western Ave., Chicago, Ill.

"Northwestern Confectioner" published by Alva H. Cook, 405 Broadway, New York, N. Y.

"Retail Confectioner" published by Retail Confectioner Publishing Co., 231 Collins Ave., Pittsburgh, Pa.

"Sweets" published by Sweets Publishing Co., Hurt Building, Atlanta, Ga.

"Western Confectioner" published by C. E. Ward, 57 Post Street, San Francisco, Calif.

Copies of the above books and journals may doubtless be consulted in any extensive library.

MANUFACTURERS OF EQUIPMENT, RAW MATERIALS, ETC.

The "Manufacturing Confectioners' Blue Book and Consolidated Confectionery Supply Catalogue", published by the Manufacturing Confectioner Publishing Company, Chicago, Ill., is a complete buyers' reference directory, year book and cooperative supply catalogue containing a complete commodity index of confectioners' machinery, factory equipment, raw materials, packing materials, services and supplies of all kinds for the manufacture of confectionery.

Advertisements of firms manufacturing and handling machinery, raw materials, etc., of various kinds for the manufacture of confectionery will also be found in the various candy trade journals listed above.

In case the above journals and book are not available, the following lists may be of assistance. It is not to be understood that the products manufactured or handled by these firms are guaranteed by this Bureau or are recommended over those of others not given. The names in question have been taken from advertisements appearing in the "Manufacturing Confectioners' Blue Book and Consolidated Confectionery Supply Catalogue" and the various journals, and are submitted for your convenience.

Machinery & Supplies-

National Equipment Co., Springfield, Mass.

Thos. Mills & Bro., 1301-11 N. 8th St., Philadelphia, Pa.
